## Series of Discourses on Kenopanishad – Inquiry into the nature of Reality (Brahman)

Kenopanishad is a major Upanishad from Saama Veda. In this text, the method of revealing our True-Self is very simple and direct. In few shlokas, the Upanishad effortlessly takes listeners' mind to the Truth as it opens with the subtle and divinely passionate queries on the nature of Truth and the means of realizing It. Slight attention from the listener is enough to realize the great secret expounded in this small and beautiful Upanishad.
